

**Acknowledgement of Compliance for Staff with Vaccination Exemption**

I am unvaccinated for COVID-19 due to a medical or religious exemption. Because I am unvaccinated, I agree to abide by all Community Infection Prevention/Infection Control rules to protect the safety of residents and other staff in the community. I understand that if I do not follow these rules in their entirety, I will be disciplined, up to and including termination.

- ☐ I will *properly* wear an approved mask and eye protection (goggles and/or face shield) for direct care of all residents when community spread is substantial or high.
- ☐ I will properly wear an approved mask in staff break rooms and in charting areas. If removing the mask to eat or drink, I will maintain a 6 ft distance from any other individuals.
- ☐ I understand that if I am exposed to COVID-19 without wearing proper PPE, I will be subject to quarantine and will not be able to work during this time.
- ☐ I agree to regular\* testing for COVID-19 based on federal regulations, community spread, and facility policy.

*\*May change based on federal/state regulations and community spread*
